

REDMOND ROD & GUN CLUB

NEWS LETTER JANUARY 2012

Greetings fellow Shooting Sports Enthusiasts!

President Gerry Glave says:

Future **Board Meetings**: All are entitled to join us, first Monday of each month, **Redmond VFW** at 6:30PM. Upcoming dates are: 6 February, 5 March & 2 April.

We have mailed (via e- and snail) information and your ticket order forms for the 3rd Annual Fundraiser scheduled for 21 JANUARY 2012 at Redmond VFW Hall: Doors open at 5 PM. We are streamlining and simplifying things somewhat this year in order to make the event **more relaxing and fun**, and **not so long** as past events. There will be less stuff offered, but **greater value**. Please bear in mind that while there is not an immediate plan for relocation, we **still must raise funds for relocation** when the opportunity arises. We also need funds for the multitudes of fees, surveys, plans, lawyers and etc. that were not needed at the inception of our club. Do you know of a suitable property...?

SO, please join us for a **great dinner** (which alone is worth the price of admission!), best company, your needed support of our club, and a chance to leave with **some of the loot!** We will offer Silent Auctions, Wall o' Guns, Raffles, and the special "President's Auction."

For those who can offer a little **help**, we will meet at the VFW Hall on Saturday at 10 AM to prep the room.

Visit us at www.rrandgc.com to view the yearly **calendar**, **RSO Schedules**, and much other **cool stuff** for you to know.

See you at the range!!

Archery, Rifle & Handgun Ranges

VP Rifle & Handgun: Gary O. George

See the calendar of events at www.rrandgc.com for more info.

Redmond Fairgrounds **Gun Show** is 25-26 February. To run a membership booth we need two or three hard working souls for two shifts on Saturday, and two shifts on Sunday: Those working the show get free admission, as usual. This event is likely our biggest opportunity to recruit **new members** and their **families**. See your e-mail for more info.

A new supply of **Club Hats** are in: The one you know you want \$15.

Rimfire rifles (.22 especially) may only be fired at targets 100 or 200 yards away and must be fired on the pistol range at closer ranges. There are too many range skips on the rifle range otherwise. RSOs need to **monitor both** the rifle and pistol ranges if there are shooters on both ranges. Monitor means **physical presence** - going back and forth between the two ranges. If there are only shooters on one of the ranges please go to that range full time.

Please help **Bill Layton fill the schedule** a month ahead of time (laytonwa@aol.com). This makes for a less stressful scheduling process. RSOs need to remember that they are expected to sign up for a minimum of one shift per month. Many sign up for more but 12 per year is the minimum.

Youth Education

VP Youth Programs: Brian Ferry

Hunter Safety Ed resumes in 2012, beginning with field days listed below: **Registration** is at Redmond Swim Center 541 548 6066. For kids of all ages!

Field Days are: 18 February, 17 March, 21 April, 19 May, and 21 July.

Additionally, we will again host the **Youth Hunter Education Challenge (YHEC)** State Championship 1-3 June 2012. I will post more details as they are available.

Skeet Range

VP Skeet: Al Haub

Thank you all who assisted with maintenance and operations at the Skeet Range this year - we would not be, were it not for you. I especially thank Jerry Gage for his invaluable guidance and help. See website www.RrandGC.com for more details.

Trap Range

VP Trap: Jason McGuire

Open **Wednesdays** 10AM - 2PM, 5PM - 9PM, and **Sundays** 10AM - 2PM. See website www.rrandgc.com for more details.

We will host a **members only** Meat Shoot and Pot Luck meal on **11 February**: Action begins at 6 PM. See Jason for more details.

Sporting Clays Range

VP Sport Clay: Todd Apperson

Our first SC shoot will be on Sat, 18 Feb, 2012. We will resume our normal schedule, 1st and 3rd **Saturdays**, March 3, 2012 thru August 18, 2012. Action from 10AM thru 1PM. See website www.rrandgc.com for more details.
