Redmond Rod & Gun Club

Board of Directors: Open Positions

**Objective: The Board's goal is to fill this opening by appointment as soon as possible**

**1)** The Club has a directorship open to run our Trap Range - Trap shooting is one of the most popular shooting sports in the US. As the Trap Director at Redmond Rod & Gun Club, you will have the opportunity to engage, grow trap-shooting activities and be an integral part of helping plan the new trap range post-sale of the land parcel where the trap range is currently located. The Board of Directors is committed to the trap discipline and believes it is an important offering of the Club.
