

## **General Regulations and Rules for Rimrock Archery at Redmond Rod & Gun Club**

**Safety for everyone MUST be the first concern. The following are safety guidelines to observe, but common sense must also prevail. Thank you for taking the time to read through this important document.**

**Never point a bow and arrow at another person.**

**Never shoot an arrow straight up into the air.**

**Never shoot an arrow into the distance where you can't see where it will land.**

1. Think safety at all times. Be aware of Mother Nature.
2. Please read all the Rimrock Archery and RR&GC regulations and rules before you come to RR&GC range.
3. All archers must check in at the Sporting Clays office and pay the fees to shoot archery.
4. Check your equipment for the safety of all concerned. Do not use damaged equipment.
5. Proceed to the starting sign and read some simple range instructions and expectations.
6. Do not sky draw your bow.
7. No broadheads only field tip points. Long, Recurve, and Compound bows may be used.
8. Do not draw or shoot if anyone is down range from your target position.
9. No shooting except from designated shooting stands or in front of those stands.
10. Please hang or place your bow in a stand before walking to target and retrieving arrows.
11. Return to target stand, retrieve bow and move on to next stand.
12. If you see anything wrong on the range, please report the issue to a range officer or the Sporting Clays office.
13. Wood logs in line on the road mark the Rimrock Archery Range route to follow.
14. When you have reached the end of the course follow the signs to return to the parking lot or take the marked footpath over the rock berm to return to station one.
15. No alcohol or drugs are permitted on the range.
16. Please pick up after yourself and deposit litter in plastic garbage can.
17. There is a porta potty located on the course at the start.
18. Handicap parking is provided next to the Sporting Clays Office.
